FUNTIME (Pre-Kinder & Deferred Kinder)

What is Funtime?

Funtime is a pre-kinder group where children from 3 to 4 years of age come to learn, share, and develop friendships with their peers.

The environment is caring, friendly and professional, with fully trained staff overseeing their experience.

Emphasis is placed on Motor skills, role play, social skills, outdoor activities and free play where the children have the opportunity to explore, create and interact with one another at their own leisure.

Benefits of Funtime

- ⇒ Children develop social and behavioral skills through a semi-structured routine.
- ⇒ Inspire their creativity, whilst enhancing motor skills through their own art work.
- ⇒ Burn off energy with outdoor fun.

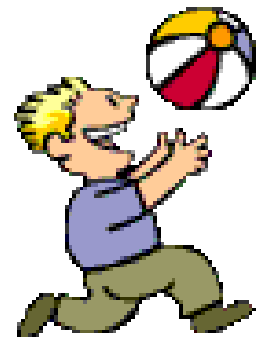

What does Funtime do for you?

Funtime allows you the opportunity to have some time to yourself. However, in order for your child to be adequately and safely looked after, we require parents to be rostered on duty. To operate effectively we expect your full cooperation when it comes to your duty time.
